Nevada Wing Conference 2012 Cadet Competitions

Cadets, show off your public speaking skills! You may very well be one of the best speakers in Nevada Wing! Remember, public speaking is nothing to be afraid of and this year's wing educational conference is the PERFECT time to get some good practice in and have some FUN.

All speech topics must be on one of CAP's 3 missions. You can sign up to compete when you register for the conference at <http://nvwg2012conference.eventbrite.com/>.

Categories

Basic: For enlisted cadets (C/AB to C/CMSgt) only.
3-5 minute speeches. Note cards allowed.

Advanced: All cadets allowed.
5-7 minutes speeches. Note cards allowed.

Impromptu: All cadets allowed.
2-2 1/2 minute speeches.
Given a topic with 2 minutes to prepare.
No note cards allowed.

Are YOU the best model builder around? Build an aerospace related model (e.g. an aircraft) and bring it to this year's wing educational conference. Also, you'll need to be able to talk about the history and abilities of what your model is based off of, so be sure to brush up on your knowledge!

Awards will be given to the top scorer in each of the four categories as well as an award for the overall winner. You can sign up to compete when you register for the conference at <http://nvwg2012conference.eventbrite.com/>.

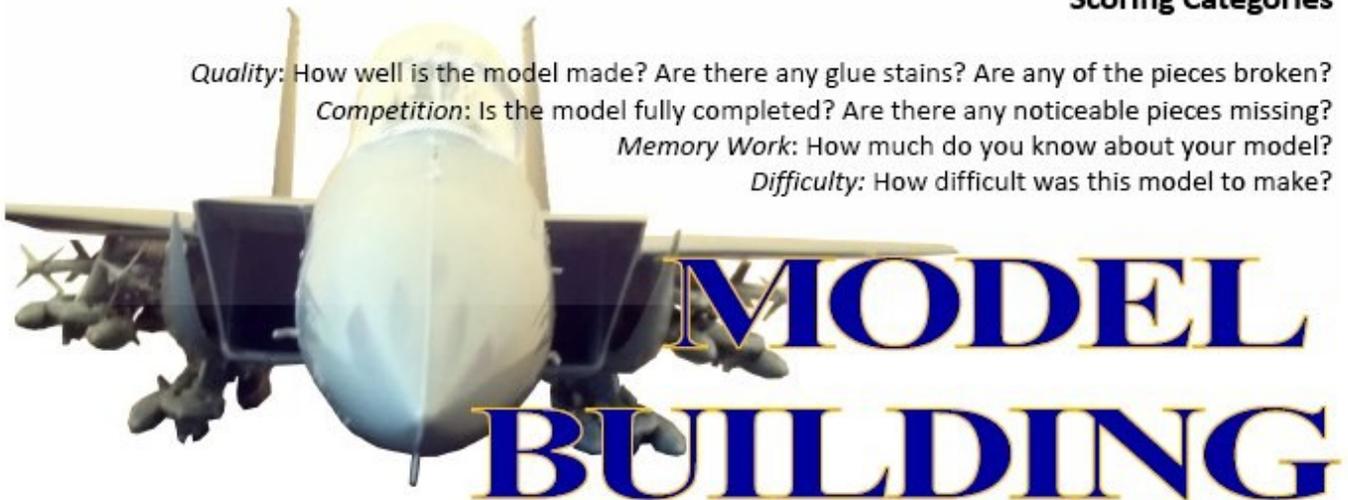

Scoring Categories

Quality: How well is the model made? Are there any glue stains? Are any of the pieces broken?

Competition: Is the model fully completed? Are there any noticeable pieces missing?

Memory Work: How much do you know about your model?

Difficulty: How difficult was this model to make?

Get your game on – ULTIMATE

BATTLE BORN CHALLENGE

Your team of four cadets from your same squadron will compete in a one day physical fitness challenge to test their strength, endurance, agility and speed within two broad categories of Ground and Water. The third category will test the teams' knowledge of aerospace with a written exam

29 September 2012

Nellis AFB
