# Cadets Honored

*By Lt. Col. Cindy Ryan, National PAO*

The lifesaving efforts of five Nevada Wing CAP cadets were honored in a special ceremony, Tuesday, July 1, 2008 at Nellis AFB, Las Vegas in conjunction with the induction of US Senate Majority Leader, Sen. Harry Reid (D-Nevada) to the CAP Congressional unit as a Lt. Col.

Organized by Nevada Wing Vice Commander-South, Lt. Col. Roy Campbell, the presentation ceremony included both CAP and Congressional Lifesaving Awards being given to the Cadets by Sen. Reid, in addition to the senators' induction. The event was covered by the Nellis base PIO for the Bulls Eye, and Channel 13, Las Vegas. The video is available for viewing at: <http://www.ktnv.com/Global/story.asp?s=8588149>

Present were NVWG Commander, Col. Ralph Miller and wife Kyungae Bae, Vice Commander-North, Lt. Col. E. J. Smith, and National PAO, Lt. Col. Cynthia Ryan.

Also present from the South were Lt. Col. Doris North, Lt. Col. Preston Perrenot, Maj. Joe Vallone, Maj. John Giles, Capt. Kevin Stall, Capt. Michele Tayencgo and Lt. David Henderson.

The cadets being honored were: Cadet Ruben Cruz-Colon, Cadet Richardo Burgos, C/2LI Samuel Jensen, C/Amn Robert Whiting and Amn Glenn Sull. Col. Howard D. (Dave) Belote, USAF, 99th Air Base Wing Commander, Nellis

AFB was present as the guest speaker, in addition to Sen. Reid, Chaplain Lt. Col. Tom Miller (invocation) and Col. Miller.

The Nellis base staff went the extra mile in opening up the Officers Club banquet room for the event, with a delicious catered light luncheon.

The amazing story of how the cadets came across a badly injured hiker in The Valley of Fire made Las Vegas headlines during an exercise in April 2008. The man had fallen about 50 feet and had a seriously broken leg with bleeding. The man is alive today because of what the CAP cadets did next.

"Rather than panic, they took care of him. One of them went back and got water. They even had the foresight to stabilize his broken leg," said the senator.

According to the Cadet Richardo Burgos, they first spotted the man waving for help and thought he might be part of the planned exercise, but getting closer and upon further examination they discovered that they had a very real emergency. Their training "just snapped in like that" explained Cadet Ruben Cruz-Colon.

Many of the cadet family members were present for the ceremony, and it quickly became apparent just how proud the parents were as the cameras snapped photo after photo, that will be cherished for years to come.

## CHAPLIN'S CORNER

Lt Col CHAPLIN CAP TOM MILLER

It was Leonardo da Vinci who is quoted as saying, "When once you have tasted flight, you will forever walk the earth with your eyes turned skyward, for there you have been, and there you will always long to be". The Psalmist David wrote "show me the path where I should go, O Lord; point out the right road for me to walk (correct Flight Path)...for you are the God who gives me salvation. I have no hope except in you." Ps. 25:4-5. (ChapCap)
